OFFICE MEMORANDUM

Subject: Duty Allowance to Police personnel deployed for election duty etc. outside the State.

1. Rule 14 (11) (4) of the Nagaland Services (Revision of Pay) Rules, 2017 specifies different rates of Daily Allowance on tour, for stay in Government Guest House/own arrangement and for stay in hotel based on pay level of the employees. Daily Allowance is given to compensate the employees for expenditure on lodging and fooding. In cases where accommodation and fooding facilities are provided free of cost, daily Allowance is not admissible.
2. Nagaland Police personnel deployed outside the State for election duty and short duration duty for maintaining of law and order are provided free accommodation and rations and hence, are not entitled to Daily Allowance. However, considering that deployment outside the State results in huge inconveniences and extra out of pocket expenditure for the personnel, it has been decided that Duty Allowance shall be paid to police personnel performing election duty outside the State in the following manner:
 - a. Commandant : Rs. 1500/- per day
 - b. Deputy Commandant/Assistant Commandant : Rs. 1000/- per day
 - c. Inspector : Rs. 750/- per day
 - d. Sub-Inspector and below : Rs. 450/- per day
